

KBS[®]
DISASTER CLEANUP

WHY YOU SHOULD CALL KBS FOR AFTER FLOOD CLEANING

WATER DAMAGE CLEANUP

Water damage can be the result of many factors. It could be due to natural disasters such as storms and flooding, which then force water into your business or home. Or it could be the result of a cracked water pipe, which ends up flooding the house after you leave for work.

EXPERTS IN EMERGENCY CLEANUP

KBS' team is certified and skilled with years of experience in emergency cleanup:

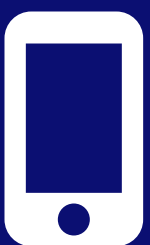

- [Basement flood clean up](#)
